

Everyone welcome!

Mount Royal University presents:

**Chris Anderson** **WIRED**

7 p.m. Thursday, Jan. 27, 2011, Ross Glen Hall  
Roderick Mah Centre for Continuous Learning, Mount Royal University

Take a glimpse into the future of business with *Wired* magazine editor-in-chief Chris Anderson, author of *FREE: The Future of a Radical Price* and other groundbreaking books. One of the most knowledgeable, insightful and articulate voices at the center of the new economy, Anderson has identified important new trends in the economy, and his ideas are shaping new ways of doing business. Chris Anderson is speaking as part of Mount Royal's centennial speakers series, Legacy of Ideas.
