challenge

Are you an aspiring entrepreneur with an “out-of-the-box” technology idea for establishing a business? If so, put your entrepreneurial skills to the test with the STIC business plan writing competition to showcase your business idea!

When?

Registration deadline: November 12, 2010
Business plan seminars are offered on six Wednesday evenings, October 20th to November 24th from 6:30pm to 9:30 pm.
Location TBA, please check www.stic.ca for updates.

Who?

Students currently enrolled in a post-secondary program are eligible to participate in STIC.

Why?

Prize Packages:

STIC Southern Alberta Regional Finals
1st place \$6,000 + In-kind Technology Commercialization Service Package
Two runner-up prizes of \$2,000 each

The top **three** STIC finalists will compete in the province-wide TEC VenturePrize (Alberta Student Business Plan Category) competition for an additional \$10,000 in prizes.

What could YOU do with a STIC?

The Student Technology Innovation Challenge (STIC) is a business plan competition with an educational component for all post-secondary students in Southern Alberta interested in technology entrepreneurship. If you have a technology-based business idea, see www.stic.ca for more details.

- ▶ teams must consist of at least one registered student
- ▶ business proposal must represent a technology
- ▶ innovative technology or an innovative application of technology
- ▶ southern Alberta competition; prize packages in cash & services
